Resten Select

Adjustable home comfort bed

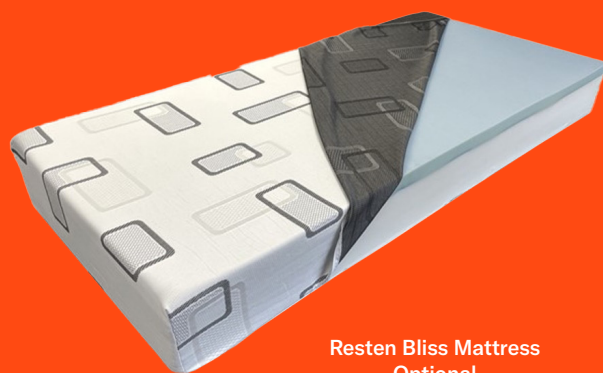

This versatile bedframe allows you to customize your sleep experience. Whether you need better circulation, relief from back pain, or simply want to find the perfect position for restful sleep, this bedframe has you covered. It features programmable massage settings, LED underbed lighting, USB charging ports, and endless head and foot positioning. The mattress retainer ensures stability, and the wireless controller makes adjustments effortless. Plus, if you're a couple, combining two Twin XL frames creates a spacious King-sized bed with individual settings. Rest assured, this bedframe comes with a 24-month warranty for added peace of mind!

Endless position options!
